# Family Workshops

*“My favorite part of the workshop was the fun tips to engage kids. It was amazing!!”*

## Bring your family engagement curriculum to life with Family Workshops!

Ready4K Family Workshops are a dynamic, joyful way to help families build everyday learning muscles. When you use the Family Workshop program, you give your families an opportunity to practice layering fun learning moments into their daily routines.

And with 8 workshop guides on key curriculum areas in the Family Workshop package, your team has everything they need to make fun, engaging family workshops an easy part of your family engagement program.

### Workshops Include:

- 8 workshop facilitator guides
- Activity guides for families
- Library of videos that include modeled moments, Expert Answers, sing-alongs, interactive stories, and parenting tips
- Full-length on-demand workshops
- Book lists
- And for a limited time, access to live monthly virtual family fun hours!

### Workshop Topics

- Everyday Learning Moments
- 1, 2, 3: Math is for ME!
- Feelings and Friends
- Ready, Set, School!
- Every Day, Every Way Literacy
- Kitchen Sink Science
- Summer Super Skills
- The Power of Play

## Increase Workshop Accessibility

Every element of the workshop can be shared digitally

Videos and resources for families are all available in English and Spanish

Families can access the resources anytime
